

THE AMERICAN CIVIL LIBERTIES UNION

The American Civil Liberties Union (ACLU) needs to be recognized by concerned Christians for its purposes and doings. It is a very active organization and gets involved in everything possible that will serve its objectives, even if they have to be subversive and underhanded in gaining their final goals. Where does ACLU stand on vital issues? The following recently appeared in a news letter published by Albert Long of Durham, N.C. It was developed by Coral Ridge Ministries, Coral Gables, Fl. This information was taken from the publication of the American Family Association, Tupelo, Ms.

The ACLU supports the following:

- + Legalization of child pornography
- + Legalization of drugs and parifinallia
- + Tax exemption for Satanists
- + Legalization of prostitution
- + Abortion on demand
- + Mandatory sex education by schools
- + Forced busing
- + Ideological testing for court appointees
- + Public demonstrations for Nazis and Communists
- + Legalization of Polygamy

The ACLU opposes the following:

- Voluntary school prayer
- Sobriety checkpoints
- Tax exemptions for Churches
- Religious displays in public
- Medical safety regulations and reporting
- Parental consent laws
- Educational vouchers and home schooling
- Governmental ethics committees
- Prison terms for criminal offenders
- Public demonstration for direct action pro-lifers
- Teaching "monogamous", heterosexual intercourse within marriage" in the public schools

Remember please, Pauls' admonition to the Corinthian Christians.... II-Cor .6:17 "Come out from among them and be ye separate saith the Lord and touch not the unclean thing, and I will receive you." Also read Rev.18:4, Psa.1:1 and Exo.23:2 and there are others.... God also commanded Israel of old to not follow a multitude to do evil.

The only body/group/organism/congregation of people we are to work at by cleaning up from the inside - out, is the Ekklesia of Christ, we are primarily used of God to be so distinct from the world-order of things, that the world should look at the Christian community and be

drawn to desire, what serving God has to offer lost mankind, in this life as well as the here after... If we strive to clean up our act, and show the world what Christ has done and is still doing, we would not need to join any organization. Period! Just being totally committed members of the body of Christ, we could again turn the world upside down...Think about it!

Yours for Truth and Freedom.... Horace Hooper
